Festivals for Foodies

I love festivals based around food, especially if "drink" is also playing a large part at the event. "Harvest at Jimmys", "The Essex Food and Drink Festival at Cressing Temple" and "Taste London" are important events in any Essex Gastronaughts diary, but this year I have missed a couple and it's looking doubtful if I can make it to any of those yet to come. However it would be great to hear from those that can go and if possible see some photographic evidence of either amazing food and drink being enjoyed or just general festival debauchery....

Possibly the best candidates in Essex, as met, interviewed and background checked by Allstaff

We like to think of all our candidates as stars! If you would like to meet them and find out why we rate them so highly please call to speak to either Tim or Aidan. If you have a position you would like us to assist you with, please talk to us.
